INTRODUCTION

At Erin Mills Co-Operative Nursery School our purpose is to:

- a. Provide a stimulating experience for the children;
- b. Promote a greater understanding by parents in matters relating to early children education

This Parent Handbook has been compiled to assist you, the parent, to better understand, enjoy and familiarize with the various facets of our school.

Please also refer to our Program Statement for more information about our pedagogical philosophies.

Co-operation is the very heartbeat of the parent co-operative nursery school. Each member has a responsibility to the school through his/her contribution and involvement, to make it work.

We trust that the following will help you become more knowledgeable about the organization and daily operation of the school.

2) PROGRAM STATEMENT

In 1974 Erin Mills Co-Operative Nursery School established that nursery school is a place where we expect to see children playing busily, safely and happily. In their play, they learn to develop motor skills, knowledge and patterns of social behaviours that lie within the limits of their capacity. Each child is unique, and such uniqueness we should cherish.

Erin Mills Co-Operative Nursery School operates to provides a happy, worthwhile, well-balanced experience for the pre-school child in a non-political, non-sectarian environment. It provides opportunities for children to develop their own sense of time and space in an environment geared protectively to a child's dimension. The classroom is a place to foster and stimulate discovery and exploration, to provide stimulating materials that will lead the children to question and in turn, help them search for answers. It is a place for children to learn about emotions – to identify, experience and work through them. The school gives each child the opportunity to know different people – other children, the Teachers/Supervisors and parents other than their own. In other words, the school is a place where each person, both parent and child, is allowed to participate and contribute to his/her own needs.

In order for our children to enjoy school, we as parents, must help them feel that they are important members of the co-operative plan and that their ideas and feelings count. We must show them respect and treat them as the unique individuals that they are.

Our objective is to improve your child's attitude and ability to:

- Explore and run; share their fun; finish what's begun
- Put away when done; demand less "all or none"
- Restrict their "no", let their parent go; accept what's so

Each child develops individually and thus goals are reached at different stages. We merely provide the environment, stimulation, necessary materials, guidance and direction for your child to achieve and acquire many skills over the year – social, emotional, physical and intellectual.

Erin Mills Co-Operative Nursery School is a place where the parent TAKES rather than SENDS a child. In fact, parent and child learn and grow together.

Most parents enroll their child in a pre-school program thinking only of the benefits for the child. Through their own involvement in a co-operative pre-school, parents are also put into a learning situation. They are able to observe the behaviour of their own child with other children, watch as they play and learn together, and participate in the teaching process.

In 2016, Erin Mills Co-Operative Nursery School adopted the "How Does Learning Happen?" Ontario's Pedagogy for the Early Years (2014) as the guiding document under the Child Care and Early Years Act (CCEYA).

Erin Mills Co-Op has focused our programming around the foundations of Belonging, WellBeing, Engagement & Expression, as well as integrated the six guiding principles of ELECT (Early Learning for Every Child Today).

ELECT Principles:

1. Positive experiences in early childhood set the foundation for lifelong learning, behaviour, health, and well-being.
2. Partnerships with families and communities are essential.
3. Respect for diversity, equity, and inclusion is vital.
4. An intentional, planned program supports learning.
5. Play and inquiry are learning approaches that capitalize on children's natural curiosity and exuberance.
6. Knowledgeable, responsive, and reflective educators are essential.

We expanded our purpose to include the goals of the CCEYA of 2014 and outline here how our program encompasses all these goals.

46.(1)(a) promote the health, safety, nutrition and well-being of the children.

-Health: Erin Mills Co-Op will make every effort to ensure the ongoing health of our students. We adhere to all municipal, Board of Education, and regional health and safety requirements and our facility is inspected yearly by the Peel Public Health authority. At the beginning of the school year at our Parent Orientation seminars, parents will be apprised of all of our health and safety policies including: immunization requirements, when to keep their child home from school, and allergy policies.

-Safety: The safety of our children, staff, parents are volunteers, is of utmost importance to us. Each teacher, supply teacher and every duty parent must hold a valid Standard First Aid & CPR/AED Level C certification. The school will organize Standard First Aid & CPR/AED Level C trainings each spring and summer for new families to attend and returning families to new. there is also a fully-stocked first aid kit on site for any minor injuries. It is our policy that for any minor injuries. It is our policy that for any injury requiring even minor first aid that the parent is called after the child has been cared for and their injury treated. A decision would then be made between a teacher and the parent whether the child should remain in class or be picked up by the parent.

-Nutrition: At Erin Mills Co-Op, snacks and beverages are provided by the duty parents for each school day and program. We require our duty parents adhere to Canada's Food Guide to develop a snack 'menu'. We encourage parents to bring 3-4 different snack options so that children have a variety of foods to choose from. It is encouraged that at least one item from each of the following food guide categories is provided: grains, vegetables/fruit, and dairy. Meat is not required) as we only provide a morning and afternoon sack). We also require that all snacks are inclusive for all of our children, with the exception of allergies (where a separate snack item might be substituted). Erin Mills Co-Op has a ZERO NUTS policy for snack food/beverages, which is part of our orientation and also posted clearly throughout the building as a reminder.

Well-Being: The well-being of the child includes both their physical well-being and their emotional well-being. Our goals are always to protect the physical well-being of our children through our health & safety policies and by maintaining our facility and toys. We also strive to protect the emotional well-being and safety our students by providing a nurturing, accepting, positive and encouraging environment free of harsh discipline or punishments.

46.(1)(b) Support positive and responsive interactions among the children, parents, child care providers and staff.

Erin Mills Co-Op Nursery School is a community of families who work together to make our coop school work. Our only two staff members are our teachers and each and every other function of the school relies on our parent volunteers. It is of critical importance to the school to support and encourage positive interactions among our families.

Our Duty Parents perform a special role within a co-op nursery school. Not only do Duty Parents perform a supervisory role within the school on their day they also bring the wealth of their knowledge, experience, talents and enthusiasm to the classroom to share with the children and the teachers. We encourage our Duty Parents to speak with the teachers about their hobbies, passions and knowledge, we always love to expose the children to new ideas and activities. Examples of this include: having a hearing-impaired mother teach the alphabet and some words to the children in sign language, musicians sharing their musical talents, police offer parents visiting the classroom during our Community Helpers unit. The more we can include the diversity of our co-operative collective in our classroom the better.

We also understand that not all Duty Parents will necessarily have experience supervising or engaging with a group of children. We encourage those parents to ask to be scheduled on duty days with an experienced Duty Parent, and also to utilize the teachers as role models of how to create positive interactions with the children.

46.(1)(c) Encourage the children to interact and communicate in a positive way and support their ability to self-regulate.

Often when a family joins Erin Mills Co-Op it will be their child's first opportunity to join in and make friends. We want to foster and encourage that by offering the child the support they need to adjust to the exciting new experience. This may look different for each child. Teachers will work with parents to make this transition a positive one for all involved.

46.(1)(d) Foster the children's exploration, play and inquiry.

Erin Mills Co-Op structures our programming to provide a play-based learning environment. Young children explore their environment and learn about their world through the process of play-based learning. At Erin Mills Co-Op we aim to inspire and engage our children's curiosity through providing structure and free-play activities. Each class day includes two blocks of time dedicated to free play-based learning, one at the beginning of the class and one at the end. During this time the children are "in-charge" of their play. Opportunities for hands-on, inquirybased learning experiences that foster exploration, problem solving, discovery and dramatization are all available. We rotate these toys on a bi-weekly basis as well as providing additional toys that fit our learning theme.

The middle part of the class period is structured play-based learning and includes elements of: intentional planning of learning opportunities for whole class and small group learning; classroom materials that are meaningful, inclusive, interesting and developmentally appropriate; representative of children's thinking and learning in diverse ways; and embedding literacy and numeracy experiences in play scenarios.

BACK ROOM EXPLANATION

46.(1)(e) Provide child-initiated and adult supported experiences.

46.(1)(f) Plan for and create positive learning environments and experiences in which each child's learning and development will be supported.

46.(1)(g) Incorporate indoor and outdoor play, as well as active play, rest and quiet time, into the day, and give consideration to the individual needs of the children receiving child care.

Our goal at Erin Mills Co-Op is to incorporate indoor and outdoor play, as well as active play and resting activities as best as possible given the time limits of our program (2.75 hours I the morning/afternoon class).

We have several outdoor days every season to participate in seasonal activities. In the fall we spend a day outside observing and enjoying the changing season, in the winter we take the children sledding in our park, and in the spring the children ride bikes and play games in the park. We bring out toys and enjoy the first warm

days. We also have two outdoor field trips every year, usually to a local farm in the fall and a maple bush in the spring.

During a regular class period the children have a free-time first at the start of class to explore the classroom as they please. Often this first free-play period is an active play period as the children have lots of energy and are excited to come to school and greet their friends. This is followed every day by a quieter, calmer, circle time activity with the whole class. During the two free-play periods the children are free to choose an activity that suits their interest as there are always multiple activity stations (play dough, craft, water table, sand table, building blocks, puzzles and games) set up as well as many options for toys, dress-up, imagination and assorted activities.

45.(1)(h) Foster the engagement of and ongoing communication with parents about the program and their children.

Our program operates with parent involvement. Parents participate in Erin Mills Co-Op through their roles as Duty Parents helping out in the classroom and through their committee positions. Our teachers and administrators (the Executive Committee) communicate with parents on a daily and on-going basis.

A calendar for each month is sent to every family that outlines the activities for the upcoming month, gives parents opportunities for additional involvement in the classroom and with the school community. Additionally, we have a Facebook page that we utilize to share school events with parents and the community. Parents and families being active and engaged with the school is the essence of what co-operative education is.

46.(1)(i) Involve local community partners and allow those partners to support the children, their families and staff.

Erin Mills Co-Op has been part of the Erin Mills/Mississauga community for more than 40 years. Throughout that time the school has formed relationships with many of the local community members. Every fall we host our annual fundraising event and involve numerous local businesses and community partners to join with the school and enrich the experience for the children. We also take the children on 4-5 field trips per year to get them out and active in the community. At our annual Christmas Concert, we extend invitations to the Mayor of Mississauga, our local City Councillor, and our local community centre staff. It is our goal that our Erin Mills Co-Op community members feel their families have formed a greater relationship with the local community.

46.(1)(j) Support staff, home child care providers or others who interact with the children at a child care centre to home child care premises in relation to continuous professional learning.

In 2016 our teachers committed to participating in the Region of Peel's "Raising the Bar" program for continuing education. "Raising the Bar" is a voluntary annual quality initiative for early learning and licensed child care programs. Levels of quality are achieved in the three areas: Quality Assurance, Best Practices and Professional Education.

46.(1)(k) Document and review the impact of the strategies set out in clauses (a) to (j) on the children and their families.

The Executive Committee and teachers will review the Program Statement and Handbook on a yearly basis to discuss whether our current practices are in line with our Program Statement. Changes will be suggested and approved by the teachers and the Executive Committee.

In summary, **co-operative nursery school provides the opportunity for both you and your child to experience personal growth and development.** At the end of the year, both you and your child will have benefited in some way.

6. If there is more than one person interested, the President will briefly meet privately and individually with all interested parties. The General Meeting will take a brief adjournment for these meetings. Once the President has spoken with the interested parties and they and the Executive Committee have come to a decision, the Meeting will resume.
7. Next, the Fundraising Committee will be filled by asking for volunteers. As this committee is of vital importance to the running of the school, no other positions will be filled until this committee has a Chairperson who is an Executive Member, a co-chair, and ideally, 7 members.
8. Finally, any families who have not yet joined a committee will choose a random number on a piece of paper and the chair will call the numbers in order. When your number is called, you may then select which committee you would like to work on for the upcoming school year.

G) ORIENTATION

This begins when inquiries are first made about enrollment in the school and continues throughout the school year. The goals for effective Orientation are: better informed parents, open communication between parents and Teachers, and a smooth-running school with happy, relaxed children, parents and Teachers.

When parents first participate in the school program, their primary concern is to be in the right place at the right time and to learn the location of equipment and supplies. Since we function best when we know what is expected of us, it is extremely important that we were well prepared for this role as participating members of a co-operative nursery school.

As stated, due to the importance of orientation, it is mandatory to attend your scheduled orientation session for your program. **A \$15.00 fine will be assessed for failure to attend orientation.**

As part of your orientation:

- The Teachers/Supervisor will show you the facilities, the location of the equipment and supplies, fire drill procedure, emergency information and explain duty parent responsibilities.
- The Vice-President (committee administrator) will provide orientation and procedures for all Member regarding their chosen committee(s).

Please do not hesitate to ask if you have any questions.

It is the parent's role to assist in the management of the pre-school, as well as to assist the Teachers/Supervisors with the children's program. This is best achieved through your attendance at the required May, June, and September General Meetings, which are scheduled in the evenings. A December General Meeting may be called, if deemed necessary.

4) POLICY

A) ADMISSION REQUIREMENTS AND REGULATIONS

- Maximum enrollment of 24 children per class under the supervision ratio of two Early Childhood Educators and two participating parents, is governed by the school's Ministry of Education license.
- Applications over and above this number shall be placed on a waiting list and shall be considered in the order received for each class. We do not collect a fee or hold monies for students on the waiting list.
- Children above the age of two years old are eligible to enroll. (Note: We are restricted to three children per morning class between the ages of 2 – 2 ½ years).
- The attending child must not be sent to school in diapers. Training underpants are acceptable as a training aid.

- Children will be eligible for enrollment until March of the current school year, at the discretion of the Executive Committee and Teachers/Supervisors.
- Applications for admission made after December 31 will require an observation by the Teachers/Supervisors. The final acceptance of your child shall be at the discretion of the Teachers/Supervisor, based on the

child's ability to adjust to the school's program, as per the Parent-School Agreement.

B) ENROLLMENT

The first person you will likely come in contact with is the Registrar. He/she will explain the educational opportunities for your child and the significant value to parents as members of the Co-Operative Nursery school. The Registrar will discuss the school and outline the specific parent obligations. In a prearranged appointment (made with the Registrar), interested parents are welcome to visit the school with their child.

Applications for membership are available upon request from the Registrar. Enrollments are taken on a first-come, first-serve basis. Current Erin Mills Co-Operative Nursery School Executive Members are given the first opportunity to enroll their children for the upcoming year. Families returning to the school are entitled to register their children prior to alumni, and then registration is open to the public.

It is important to understand that before your child is considered enrolled at Erin Mills CoOperative Nursery School:

- All of the following forms must be returned by July 31:

Erin Mills Co-Operative Nursery School waiting list policy expectations include:

- a. Request of intent for registration in a program that is full at the time of request.
- b. Confirmation that fee and/or deposits are **not charged** for the placement of a child's name on a waiting list.

The order in which children are offered admission from the waitlist is by order in which the request was made by program. The waiting list is maintained and established by the school's Registrar.

The waiting list order in terms of the position of the child is available to parents/guardians upon request. No information on the child's name will be given to maintain privacy.

Children are admitted to school the second or third full week of September on a staggered basis. By the end of the week all children will have begun. Staggered entry allows the children time to adjust in smaller groups to a daily routine and to gradually acquaint themselves with the Teachers/Supervisors and new friends.

E) EMERGENCY CLOSINGS

Any of the following conditions may make it necessary to cancel school:

- Severe weather conditions (the school shall use the local school boards as a guide to make this decision. That is, if the school buses in the area are not running, then the Teachers may cancel school for that day).

H) FUNDRAISING

Fundraising is an important part of a non-profit Co-Operative Nursery School. Fundraising allows Erin Mills Co-Operative Nursery School to pay for school trips for students and volunteers, purchase educational and art supplies for the school, and purchase special treats and gifts for students. As a non-profit school, the school relies heavily on fundraising in order to run an extensive learning program for its students. Other than tuition fees, fundraising is the only other source of income the school receives from its members.

As a member of a Co-Operative, families are expected to participate in ALL fundraisers and donate at least the minimum requirement for each

fundraiser, which will be outlined throughout the school year. The minimum expectation is ALL fundraisers combined shall not exceed \$150.00. However, it is hoped that families will go above and beyond the minimum requirement to ensure a successful school year.

If your family joins the school year AFTER the Trike-A-Thon has already taken place you still have a fundraising requirement for the remainder of the school year. Families that join the school after the Trike-A-Thon even but BEFORE the Christmas/Holiday break are required to donate the full \$150.00 amount. IF your child joins the school AFTER the

Christmas/Holiday break, your family's minimum donation is reduced to \$120.00 for the school year. You can pay this via cheque and include it with your tuition cheques at enrollment.

I) WITHDRAWAL

To withdraw a child, you must give either:

- One month's notice in writing to the registrar, or
- One month's payment in lieu of notice.

If over the summer you decide to cancel your enrollment, please contact the Registrar. Withdrawals prior to the start of the upcoming school year must be **submitted in writing to the Registrar no later than June 30th, or your fees for the month of September will be forfeited.**

The Teachers and/or Executive Committee may, at their discretion, may ask a parent to withdraw their child due to:

- The child's inability to adjust to the school.
- The parent's failure to participate.
- Non-payment of fines/fees.

In the event a parent is asked to withdraw their child, an adjustment to membership fees will be made from the child's last day of school.

J) HEALTH REGULATIONS

Prior to the first day of school, the Child's Medical Information form must be returned to the Registrar. As per the Child Care and Early Years Act, this form will be kept at the school in a confidential file.

Ontario law requires that all parents/guardians participating in Co-Operative Day Nursery programs must have the following:

- An up-to-date immunization against Diphtheria, Tetanus, (DT).
- Documentation of immunization against MMR.
- A Tuberculin skin test or chest x-ray completed prior to their child starting school.

Documentation of the test results must also be kept at the school in a confidential file

The young child is very susceptible to communicable diseases and must be kept home if symptoms of illness are evident. DO NOT send a sick child to school; it is unfair to the other children. It is most important that the Registrar and/or Teachers be notified if your child has a communicable disease. The school will notify all parents when any child is reported ill with a communicable disease.

If a child in the school develop symptoms of illness, the parent will be contacted. If unavailable, the person designated for emergencies shall be notified so that the child may be taken home.

When a serious accident or illness occurs to a child in the school, the Teachers/Supervisors shall immediately;

- Notify the parents of the child.
- Obtain all necessary medical assistance.

The Teachers/Supervisors shall permit at any time inspection of the Nursery school by the local Medical Officer of Health or any person designated by him or her.

Absolutely no medication will be given at school by the Teachers or duty parents unless specified on the Administration of Drug form for special medical conditions.

If your child has a particular medical problem which could occur during school hours (I.e. asthma, epilepsy, severe allergy) it is essential that the school be notified. In order to accommodate a child in this kind of situation, everyone at the school must be aware should a problem exist.

M) FIRE DRILL AND EMERGENCY INFORMATION

A procedure approved by the local fire chief is established and followed in the case of fire. This procedure shall include the duties of each member of the staff and duty parents.

The Teachers/Supervisors are to carefully instruct the duty parent and children of the nursery school in the proper fire drill procedure. This procedure is posted in the school and reviewed several times during the year.

Telephone numbers of the Teachers/Supervisors and Executive Committee, the local Medical Officer of Health, a taxi, an ambulance, the nearest hospital, the fire department, the police department and other emergency information are listed on a card posted above the telephone in the school's kitchen.

N) TRIP PROCEDURES/ACTIVITY FEES

The children will be going on several field trips during the school year and school buses will generally be used. Ideally, money raised from fundraising efforts will cover the cost of payment of the busses and admittance to field trips. The school reserves the right to implement a non-refundable activity fee at any point throughout the school year should the school not raise enough money to cover the cost of field trips through fundraising efforts.

A Field Trip Constant Form, signed by the parents or guardians, is required before a child may be taken on field trips away from the school. Parents will be notified of impending trips. If a parent does not wish a child to go on a particular trip, it is the parent's responsibility to notify the school that the child will not be attending school for that day. Parents who wish to volunteer to assist with field trips must submit a valid Criminal Record Check in advance of the excursion.

O) INSURANCE

Erin Mills Co-Operative Nursery School carries accident insurance, liability insurance, property coverage, and directors and officers liability insurance through "The Co-Operators". The insurance policy is on school premises and can be reviewed at any time.

Q) PETITIONING A FINE

In the event a fine is issued that you disagree with, you may petition the fine in one of the following manners:

- You may petition your fine in person at the first Executive Meeting after your fine is issued. If you choose to represent yourself in person, you must notify the President and Vice-President of this request and the reason(s) for the petition in writing.
- You would attend the Executive Meeting, state the grounds of your appeal and the Executive would, later in the meeting, vote on your appeal.
- You may have the President or Vice-President petition your fine at the Executive Meeting that follows your fine being issued. The President or Vice-President will state your case on the grounds you feel your case is worthy. This will be done anonymously.

After this petition takes place:

- The Executives will vote on your individual request, taking into account all aspects of the handbook and sections of fineable issues. A majority vote of the Executives will determine the outcome of your specific petition.

Either the President or Vice-President will notify you of the outcome of the vote. A fine is to be paid, ten (100 days after notification of petition outcome, or by the due date on the original fine letter, whichever is earliest. **Failure to pay your fine will result in your child not being able to attend school until the fine is paid.**

You are allowed to petition a fine one (1) time only. At the time of your petition all aspects of your fine must be brought up.

The majority vote of the Executives will determine the outcome of your fine, and that decision is final.

If you do not notify the Vice-President before your thirty (30) days, or date the fine is to be paid on, your fine will be considered due. After this date, you may no longer petition the fine.

R) BEHAVIOUR MANAGEMENT

Policies and procedures with respect to permitted and prohibited behaviour management practices.

In the province of Ontario, all licensed day nurseries must comply with the "Child Care Centre Licensing Manual" and the "Child Care and Early Years Act" governed by the Ontario Ministry of Education.

Both teachers and parents are expected to comply with the requirements of the ACT with request to behaviour management.

A. Monitoring of Behavioural Management

Every two months, an Executive Member will be on duty to monitor the Behavioural Management Policy as observed by the employees, volunteers or students who provide care at the nursery school

Their findings will be documented in a file kept at the school.

B. Prohibited Practices

As stated in the Child Care and Early Years Act 2014 (CCEYA) Section (48), the following prohibited practices are not permitted

- Corporal punishment of the child;
- Physical restraint of the child, such as confining the child to a high chair, stroller or other device for the purpose of discipline or in lieu of supervision, unless the physical restraint is for the purpose of preventing a child from hurting themselves or someone else and is used only as a last resort and only until the risk of injury is no longer imminent;
- Locking the exits of the child care centre care premises for the purpose of confining the child, or confining the child in an area or room without adult supervision, unless such confinement occurs during an emergency and is required as part of the licensee's emergency management policies and procedures;
- Use of harsh or degrading measures of threats or use of derogatory language directed at or used in the presence of a child that would humiliate, shame or frighten the child or undermine their self-respect, dignity or self-worth;
- Depriving the child of basic needs including food, drink, shelter, sleep, toilet use, clothing or bedding; or
- Inflicting any bodily harm on children including making children eat or drink against their will.

C. Guidelines

for Discipline Discipline

should be:

- Implemented by the teacher or duty parent(s) as soon as possible after troublesome behaviour
- Related to the nature of the troublesome behaviour
- Appropriate to the development level of the child
- Used in a positive and consistent manner
- Designed to assist the child to learn appropriate behaviour; and
- Discuss with the parent(s) if a difficult situation arises with a child

D. Contravention of Behaviour Management Practices

Failure to comply could result in a verbal warning initially, depending on the severity of the contravention; a written warning to confirm a previous warning; dismissal.

All stages of non-compliance shall be documented by the operator.

IF corporal punishment is witnessed, instant dismissal without notice may be permitted under the Ontario Employment Standards Act.

In less serious cases of non-compliance, due notice must be given for dismissal.

Various criteria shall be considered when determining which disciplinary measure to take. These criteria include:

- Seriousness of the offences (tone of voice, cultural differences)
- Actual or potential risk, or harm to the child (emotional, physical or psychological)
- Recent and past performances of staff/parent in general (personal problems etc.)
- Frequency of occurrence (ongoing evaluation after reminder)
- Previous disciplinary action taken
- Annual evaluation, signed by staff

In accordance with the Child Care and Early Years Act 2014 (CCEYA), these policies and procedures with regard to behaviour management must be reviewed with staff upon commencement of employment. In addition, all parents must review these policies and procedures prior to any child being placed in Erin Mills Co-Operative Nursery School. These behaviour management policies and procures must be reviewed annually by all parties.

Our staff are available to engage parents/guardians in conversations and support a positive experience during every interaction.

All issues and concerns raised by parents/guardians are taken seriously by the teachers and staff and will be addressed. Every effort will be made to address and resolve issues and concerns to the satisfaction of all parties and as quickly as possible.

Issues/concerns may be brought forward verbally or in writing. Responses and outcomes will be provided verbally, or in writing upon request. The level of detail provided to the parent/guardian will respect and maintain the confidentiality of all parties involved.

An initial response to an issue or concern will be provided to parents/guardians within 7-10 business day(s). The person who raised the issue/concern will be kept informed throughout the resolution process.

Investigations of issues and concerns will be fair, impartial and respectful to parties involved.

B. Confidentiality

Every issue and concern will be treated confidentially and every effort will be made to protect the privacy of parents/guardians, children, staff, students and volunteers, except when information must be disclosed for legal reasons (e.g. to the Ministry of Education, College of Early Childhood Educators, law enforcement authorities or a Children's Aid Society).

Concerns about the Suspected Abuse or Neglect of a child

5) PARENT PARTICIPATION

The co-operative aspect of our school is stressed in everything we do. Without the parents, the school would not exist. Therefore, as an active member of this Co-Op, you have commitments to keep.

- Participating and Non-Participating families will be expected to serve on one committee through the entire school year. Families with two children in the school will have to serve on two committees. Families with children in the 5 A.M. program or with a child in more than one program will have to serve on two committees.
- As a participating family you must fulfill your duty days at school as per the duty schedule by arriving on time to help with classroom set-up, providing wither drink or snack for the entire class, and assisting the Teachers with classroom activities and end of class clean-up. Families of two children in one class will have an amended number of duty days, which must be fulfilled. As a non-participating family you will not be responsible for in-classroom duty days; however, you may still be required to provided drink and/or snack and are still expected to serve on a committee.
- Your attendance at General Meetings (which deal with school operations) is **mandatory**.
- You are expected to co-operate with the Teachers/Supervisors on your duty days.
- Your support of all school fundraising endeavors is essential.
- By being an active, fully participating member of Erin Mills Co-Operative Nursery School, both you and your child will reap the benefits of this unique and valuable experience.

A) DUTY DAYS

What is a Duty Parent?

A Duty Parent is a parent or family member who assists the Teachers/Supervisors. Depending on the day and season, duties could range from assisting children on and off with clothing to the cleanliness and maintenance of the school. Parents must have a complete understanding of the important role they assume once joining a co-op. Confident, competent parents result in the nursery school being a rewarding place for everyone.

Both moms and dads are encouraged to participate in duty days and visit at any time throughout the school year.

Duty Parent Responsibilities:

- The duty schedule sheet will be given to each member at least two weeks prior to its date. The number of participation day will vary from month to month. A copy of the schedule will also be posted on the bulletin board.
- Any long-term special requests for the schedule must be reported in writing as soon as possible to the Duty Scheduler.
- Parents are responsible for their own substitutes. Please be considerate enough to make these arrangements well in advance. Failure to notify the Duty Scheduler leaves you responsible for your duty day, which could result in a fine.
- In case of a last-minute emergency or illness, you may call the Emergency Parent. The daily Emergency Parent is listed on the duty schedule.
- It is against Day Nursery licensing regulations to allow children other than those enrolled to attend the school. It is your responsibility to make alternative arrangements for siblings and/or other children under your care prior to your Duty/Emergency Duty day.
- On your duty date, it is essential that you be at the school and ready to begin your duties no later than 9:00 A.M. for the morning classes, and 1:00 P.M. for the afternoon class. You must remain at the school until all the children have been picked up at dismissal time and all clean-up requirements are fulfilled. Clean-up will take approximately 15 minutes to 45 minutes, depending on the program.
- Each of the following is considered failure to fulfill your duty responsibility:
 - a) Missing your duty day.
 - b) Arriving late for duty.
 - c) Leaving before all the children have been picked up at dismissal time.
 - d) Missing you Emergency duty day.

The fine for failure to fulfill your duty day responsibility will be \$15.00 for late arrival and \$25.00 for all other infractions on each occasion. The third time may result in dismissal from the school.

- A Criminal Reference Check must be submitted before you can participate in duty/volunteer days.

Your Criminal Reference Check must be received within six (6) weeks of your registration date. You will not be permitted to participate in duty days until your CRC has been received BUT you will be required to make up all the duty days you missed while waiting for your CRC to be returned. If your CRC has not been submitted within six (6) weeks of your registration date, you may be required to re-submit new form and pay a \$40* fee (*subject to increase) to have it returned promptly. It is your responsibility to find a replacement from the class until your file is complete.

Duty Parents must also hold a valid Standard First Aid & CPR/AED Level C (or higher) certification. Acceptable agencies for certification are limited to The Lifesaving Society, Red Cross, St. John's Ambulance or Ski Patrol.

- Please come dressed in comfortable, washable clothing. Activities require freedom, participation, and protection.

- Once you arrive, duties begin immediately. You should become familiar with every area so that the routine flows smoothly.

Your day will be busy assisting the Teachers and children. You will be one of two participating parents each session as either the "snack parent" or "milk parent". Healthy snacks and milk are to be provided for the entire class. The duties for either of these two positions are outlined on cards provided at the school. Concentrate your attention on the children rather than visiting with the adults.

2AM – You will be scheduled as a Duty Parent **approximately** 1-2 times per month. In addition, you will be scheduled as Emergency Parent **approximately** 1 time per month

3AM – You will be scheduled as a Duty Parent **approximately** 2 times per month. In addition, you will be scheduled as Emergency Parent approximately 1 time per month for emergency duty days

5 AM – You will be scheduled as a Duty Parent **approximately** 3 times a month. In addition, you will be scheduled as Emergency Parent approximately 2 times per month for emergency duty days

4PM – You will be scheduled as Duty Parent **approximately** 2-3 times per month. In addition, you will be scheduled approximately 2 times per month for emergency duty days

Note: The number of Duty days and Emergency days given above are based on the classes having full enrollments and full non-participating spots.

On Your Duty/Volunteer Day

- Check with the Teachers/Supervisors and acquaint yourself with plans for the day.
- Be accepting of the fact that your child may find it difficult to share you with other children, and realize that your child may act differently when you are not in the Nursery School.
- Know your responsibilities as Duty Parent and re-familiarize yourself with the fire drill procedure.
- Be constantly alert to the safety of all children when inside and outside. Station yourself nearby when children are climbing, sliding, balancing, etc.
- Step in when:
 - A child is in physical or emotional danger.
 - Equipment is being misused.
- Be constantly alert to allergy lists posted.
- Consult the Teachers/Supervisors if you have a question about helping a child in a certain situation. It is important to the entire group that any problem be handled smoothly and with a minimum of disruption. Remember you are assisting the Teachers/Supervisors.
- Help the children to help themselves. This is the way they learn. However, do not insist on complete self-help, particularly at the end of the day.

- Give as few directions as possible. Give suggestions in the positive – what we "do" rather than what we "do not." Show them as well as tell them. Then calmly assist the child if he/she needs help in following the directions.
- When you have to say "no", give a reason.
- Speak at a child's level of understanding, but don't talk down.
- Go to the child to speak to him/her. Always use a quiet, pleasant voice. Speak briefly, simply, distinctly and directly to the child. Speak only when you have their attention. Sit or squat so you can face the child on their level.
- Listen to the children. You will learn much about their thoughts and feelings.
- When a conflict occurs:
 - Try not to judge it for the child; you may not know all the facts. ○ Don't be too eager to help; many times, children can settle their own conflicts and learn in the process.
- Warn the children in advance of a change of activity. "It's almost tidy-up time."
- Expect co-operation and you will usually get it.
- Commend good behavior, and disregard minor unacceptable behaviour, thereby focusing the child's attention on the acceptable behaviour.
- Participating may mean being alert rather than physically rushing about. Try to create a casual, unhurried atmosphere. If things are going smoothly, take time to observe the children.
- Laugh with – never at – a child.
- Avoid judging a child by making comparisons between one child to another.
- Establish the idea of taking turns. "He is using it now. You may use it later." · Do not expect children to be constructive all the time or to enter into all the activities.
- Bring your sense of humour to the nursery school.
- When assisting the Teachers/Supervisors at circle time, participate in the activities and be alert to discipline problems.
- Put supplies away neatly and leave the nursery school as you would like to find it next time.
- The children should never be left alone at any time. There must always be at least two adults at the school at all times.
- Cultivate a relaxed, good natured attitude toward the children.

B) EMERGENCY DUTY PARENT RESPONSIBILITIES

The Emergency Duty Parent is only to be used in the case of a last-minute reason for being unable to fulfill your duty day.

A.M. Classes

The Emergency Duty Parent is not to be called until after 8:00 P.M., the night before the duty day in question. If before this time you know you will not be available to fulfill your regular Duty Day, you must trade Duty Days with another parent from your child's class, not the Emergency Duty Parent. In the event of a

last minute TRUE emergency such as car failure or illness on the way out the door, the Emergency Duty Parent must be called no later than 8:30 A.M.

If you are scheduled as the Emergency Duty Parent, you must be available to report for regular duty until 9:30 A.M.

If the Snack or Milk parent needs to be Emergency Duty Parent, it is the Emergency Duty Parent's responsibility to fulfill the Duty Day. If the Emergency Duty Parent is also unavailable, it is the responsibility to find a replacement, **NOT** the responsibility of the original Snack or Milk Parent. The Emergency Parent will receive a fine if they are unavailable when scheduled.

If you use the Emergency Duty Parent, you are **obliged** to take that parent's **next** regular Duty Day, or one that is mutually convenient to both parties.

Please report to the Duty Scheduler when you have used the Emergency Duty Parent and advise them of the next Duty Day you will be taking.

C) EXEMPTION FROM DUTY DAYS

A maximum of three months' exemption from Duty Days is allowed for pregnancy leave. A written request must be given to the Duty Scheduler. Duty days missed during leave must be made up.

D) SMOKING

There is absolutely no smoking permitted at the Nursery School

6) SCHOOL DAYS

A) ARRIVAL AND PICK-UP

Your child's program will begin **promptly** at 9:30 A.M. or 1:00 P.M. **Please** adhere to these times. The inner doors will be locked until 9:30 A.M. or 1:00 P.M. Duty Parents and their children will be admitted earlier. Any other parents arriving at the school prior to 9:30 A.M. and 1:00 P.M. are responsible for their children and must remain with them in the hall until the inner doors are opened and the children are taken into the classroom.

The front door will be locked 5 minutes after the class begins and will reopen 5 minutes before class ends. If you are late, please use your discretion and the side door. Every parent is responsible for:

- Assisting their children (and those in their carpool) with removal of outer clothing, if necessary.
- Taking the children to the Teachers/Supervisors and ensuring she knows they have arrived.

The children will be ready to leave at 12:00 P.M. and 3:30 P.M. Please be sure they are picked up promptly at these times. You will be notified of any early

closings ahead of time. **A fine of \$10.00 will be charged for any child who is not picked up within five (5) minutes of class dismissal.** You will be given a warning on your first occurrence. Each additional occurrence will result in a \$10.00 fine.

Once you have come to the classroom to pick up your children, they become your responsibility.

The Teachers/Supervisors must be notified in writing if someone other than the parents or persons named on the Emergency Card will be picking them up. Emergency Cards should be updated throughout the year with the witness of an Executive Member or Teacher.

B) PREPARING YOUR CHILD FOR NURSERY SCHOOL

Give your child the experience of being separated from you (i.e. baby-sitter). If you have other children, it is easy to forget that they become dependent on each other and when left among strangers' you child may feel lost.

Try and acquaint yourself with someone who lives nearby who will be going to the nursery school at the same time and have them over.

Talk about the school. Tell him/her what he/she can expect to find when he goes there, what he can do, who will be there and your responsibilities to the school.

You must be sure of your own feelings. Your child will pick up attitudes of apprehension, fear, or a desire to keep him/her with you a little longer.

Check the public library for books on starting school (I.e. The Berenstein Bears Go to School).

C) YOUR CHILD'S FIRST DAY AT SCHOOL

Even though the children begin school on a staggered basis and the class may not be very large, we must appreciate that to your child, the adults are strangers, other children are sometimes noisy and activities are often confusing. So much is new. In time they will feel at home, so reassure yourself because they will adapt.

Come prepared to stay, keeping in mind that siblings and/or other children under your care cannot stay with you. Stay as long as your child needs you. This may be necessary for more than just the first day of school.

When it is time for you to leave, don't be swayed by your child's pleas or cries. Just explain that you will be back later and go. Hesitating, loitering in the hall or coming back for another "goodbye" will make it harder for your child to adjust.

D) CLOTHING

Dress your child in appropriate clothing so that they will feel free to participate fully in any and all activities (some may be quite messy).

Ensure that their clothing is such that it will be easy for them to go to the restroom on their own.

Belts, buttons and zippers can be overwhelming for duty parents, as when there are 20 of them. Outdoor clothing should be adequate for prevailing weather.

A smock will be provided for painting and water play.

Indoor shoes should be brought to school on a daily basis. Shoes with rubber soles should be worn at all times to ensure safety during school activities and fire drills.

Remember – easy clothing means independence. A lost and found box is located in the school.

It is recommended that a change of clothing also be brought to school on a daily basis.

E) CLASS PROGRAM

Our program is set up to offer all of the following activities:

- Learning circle.
- Toy tables.
- Snack time.
- Creative tables.
- Theme-related sensory areas.
- Outdoor play.
- Dramatic Play centre.
- Puzzle table.
- Music listening centre.
- Reading centre.

F) TIDY UP TIME

Inform each child in your duty area what will be happening next and that he has a few minutes to finish what he/she is doing and then tidy up. The child then has time to prepare him/herself mentally and physically for what is to come.

During Tidy Up Time, expect each child to tidy up or at least help, so that each may learn responsibility for his or her school and equipment. Offer assistance, if required, so that the child may learn independence and co-operation.

G) SNACK TIME

The Duty Parent(s) are required to provide milk and snack for the entire class. Our Program Statement details our policy for healthy snacking.

Nutrition: At EMC snacks and beverages are provided by the Duty Parents for each school day and program. We require our Duty Parents adhere to Canada's Food Guide to develop a snack "menu". We encourage parents to bring 3-4

different snack options so that children have a variety of foods to choose from. It is encouraged that at least one item from each of the following Food Guide categories is provided: grains, vegetables/fruit, and dairy. Meat is not required (as we only provide a morning or afternoon snack). we also require that all snacks are inclusive for all our children, with the exception of allergies (where a separate snack item may be substituted). EMC as a **ZERO NUTS** policy for snack food/beverage which is part of our orientation and also posted clearly throughout the building as a reminder. For the morning class, one parent will be assigned to bring milk, while the other parent is to bring a nutritious snack: veggies, crackers, cheese, etc. If there is one Duty Parent per class due to low registration number or special program consideration, the parent is required to provide both the snack and milk for the entire class. Please pay close attention to labels and recipes because there are allergies in your class, or if severe, the school.

H) BIRTHDAYS

If your child's birthday occurs during the school year, we have a special day when we sing the birthday song. We try to do this as close to the child's birthday as possible, and have his/her parent scheduled to be on Duty that same day. Birthday treats, such as cupcakes or brownies, may be brought in for snack, making the child's birthday even more special.

I) LIMITS AND RULES

- Children are discouraged from bringing toys to school from home. They can easily be lost or misplaced and we cannot be responsible for them.
- No gum chewing is allowed.
- The children should not bring any money into the school.
- No running is permitted in the school.
- Equipment in the various activity centres should not be removed from that area.
- Smocks are to be worn when painting or at water play.
- Toys should be tidied up before another is taken or before beginning another activity.
- Careful handling of all school equipment is stressed with the children.
- Children are not allowed in the hall unless going to the bathroom.
- Hands must be washed following visits to the toilet and before snack.

These guidelines will be discussed with the children several times during the year by the Teachers/Supervisors so they will become familiar with them.

J) DISCIPLINE

When an incident occurs, the situation should be handled in the following manner:

1. Talk to the child or children and try to work out a solution
 - A. If the problem continues, give the child a warning that if they cannot manage they will need to find another activity or area to play in.

- B. If the problem still persists, remove them from the activity regardless of the situation.
- 2. If there is bodily injury or any kind of aggressive behaviour, the children are immediately separated and removed from the situation
- 3. It is prohibited to:
 - A. Use physical discipline at any time, even with your own child.
 - B. Use any deliberate harsh or degrading measures that would humiliate a child or undermine a child's self-respect.
 - C. Confine a child in a separate room when the child has been withdrawn from the other children.

If you are witness to some unsuitable disciplinary measures, it should be reported immediately to either the Teachers/Supervisors or any Executive Member. Immediate actions will be taken.

7) COMMUNICATION

Open lines of communication are vital between parent members, the Executive Members and staff, to facilitate the efficient operation of the school.

A) GENERAL MEETINGS

As per the Parent-School Agreement, it is mandatory that a representative from each family attend these meetings. **Failure to do so will result in a \$15.00 fine.** They are held in May, June, September for the purpose of administration of school business. A General Meeting may also be called in December, if the Executive Committee and Teachers deem it necessary. At this time such items as school policies are discussed and voted upon by everyone. General Meetings are also an opportunity to communicate your feelings, ideas or concerns to the Membership. These General Meetings are not necessarily strictly for business purposes. They can also include parent awareness discussions or guest speakers, making the evening both interesting and informative.

B) CHILDREN'S ART BAGS

Your child's first activity at school will be the decoration of his/her own "Art Bag" (bags will be supplied). The bag should be returned to the school at the beginning of each week. In addition to your child's artwork, which is sent home on a weekly basis, this bag will also be used to relay special notices, permission forms, etc. It is important that you check it regularly to keep up to date on what is happening in the school.

C) BULLETIN BOARD

The bulletin board is a tool that enables parents to share useful information with other families. It is available for use by any parent member.

Duty Schedules are posted on the bulletin board near the classroom doors and the class programs are also posted on a bulletin board opposite the wall.

D) NEWSLETTER

This is one of our strongest communication devices, conveying information between the Executive Committee, Teachers/Supervisors, Parent Membership and the community. It is published each month and included such things as: administrative news, special events, helpful hints, classified ads, creative arts and crafts.

8) CONCLUSION
